

CONF

MEMORANDUM FOR: C/PP

20 November 1958

SUBJECT : Training Handbook for Nuclear Warfare

REFERENCE : Memorandum from C/PP to C/PI, 16 Oct 58,  
subject as above

The Atomic Energy Commission is the only organization authorized to approve release of information such as that requested by the reference. It is the understanding of this office that OSI, who also received the reference, will contact the AEC to determine whether or not authorization for passage to foreign nationals would be granted for whatever material may be available. In view of this, no action will be taken by FI on the reference pending decision of the AEC resulting from OSI contact with that organization.
